platform and the basics of the platform which can be so easily overlooked. This is not Mr. Breitbarth's first presentation to the Fellows. Mr Breitbrath has attended several of the monthly professional development sessions. Mr. Breitbarth has been returning monthly to help Fellows perfect their profiles in order to be better oriented to attract attention from potential employers and parties interested in networking. In today's world, LinkedIn literacy is key. After Mr. Wayne Breitbarth concluded, Dr. Charles Allen took to the stage to offer Fellows an opportunity unlike any other; a chance to obtain their private pilot license and fly for free. Dr. Charles Allen, who runs the Black Pilot Program out of Timmerman Airport already has several Fellows engaged and interested in his program. In addition to the presentations by Mr. Wayne Breitbarth and Dr. Charles Allen, executives from Associated Bank came in to impart wisdom to Fellows regarding

interview etiquette. An interview is a crucial avenue in which you want to make a good first impression, and thanks to Ms. LaDonna Reed and Ms. Morgan Smith,
